

Patterson Creek Trail System

Open trails marked with plastic diamond blazes in colors indicated. Note: ALL trails were previously blazed with yellow paint, and these markings remain.

Trail is clear and rideable, but may be unsigned or incorrectly signed. Blazed with yellow paint only. New blaze colors and signage coming soon.

Future trails to be opened.

Fire Road: Limited vehicular access.

Paved Road (State Route 606)

Dirt / Gravel Road

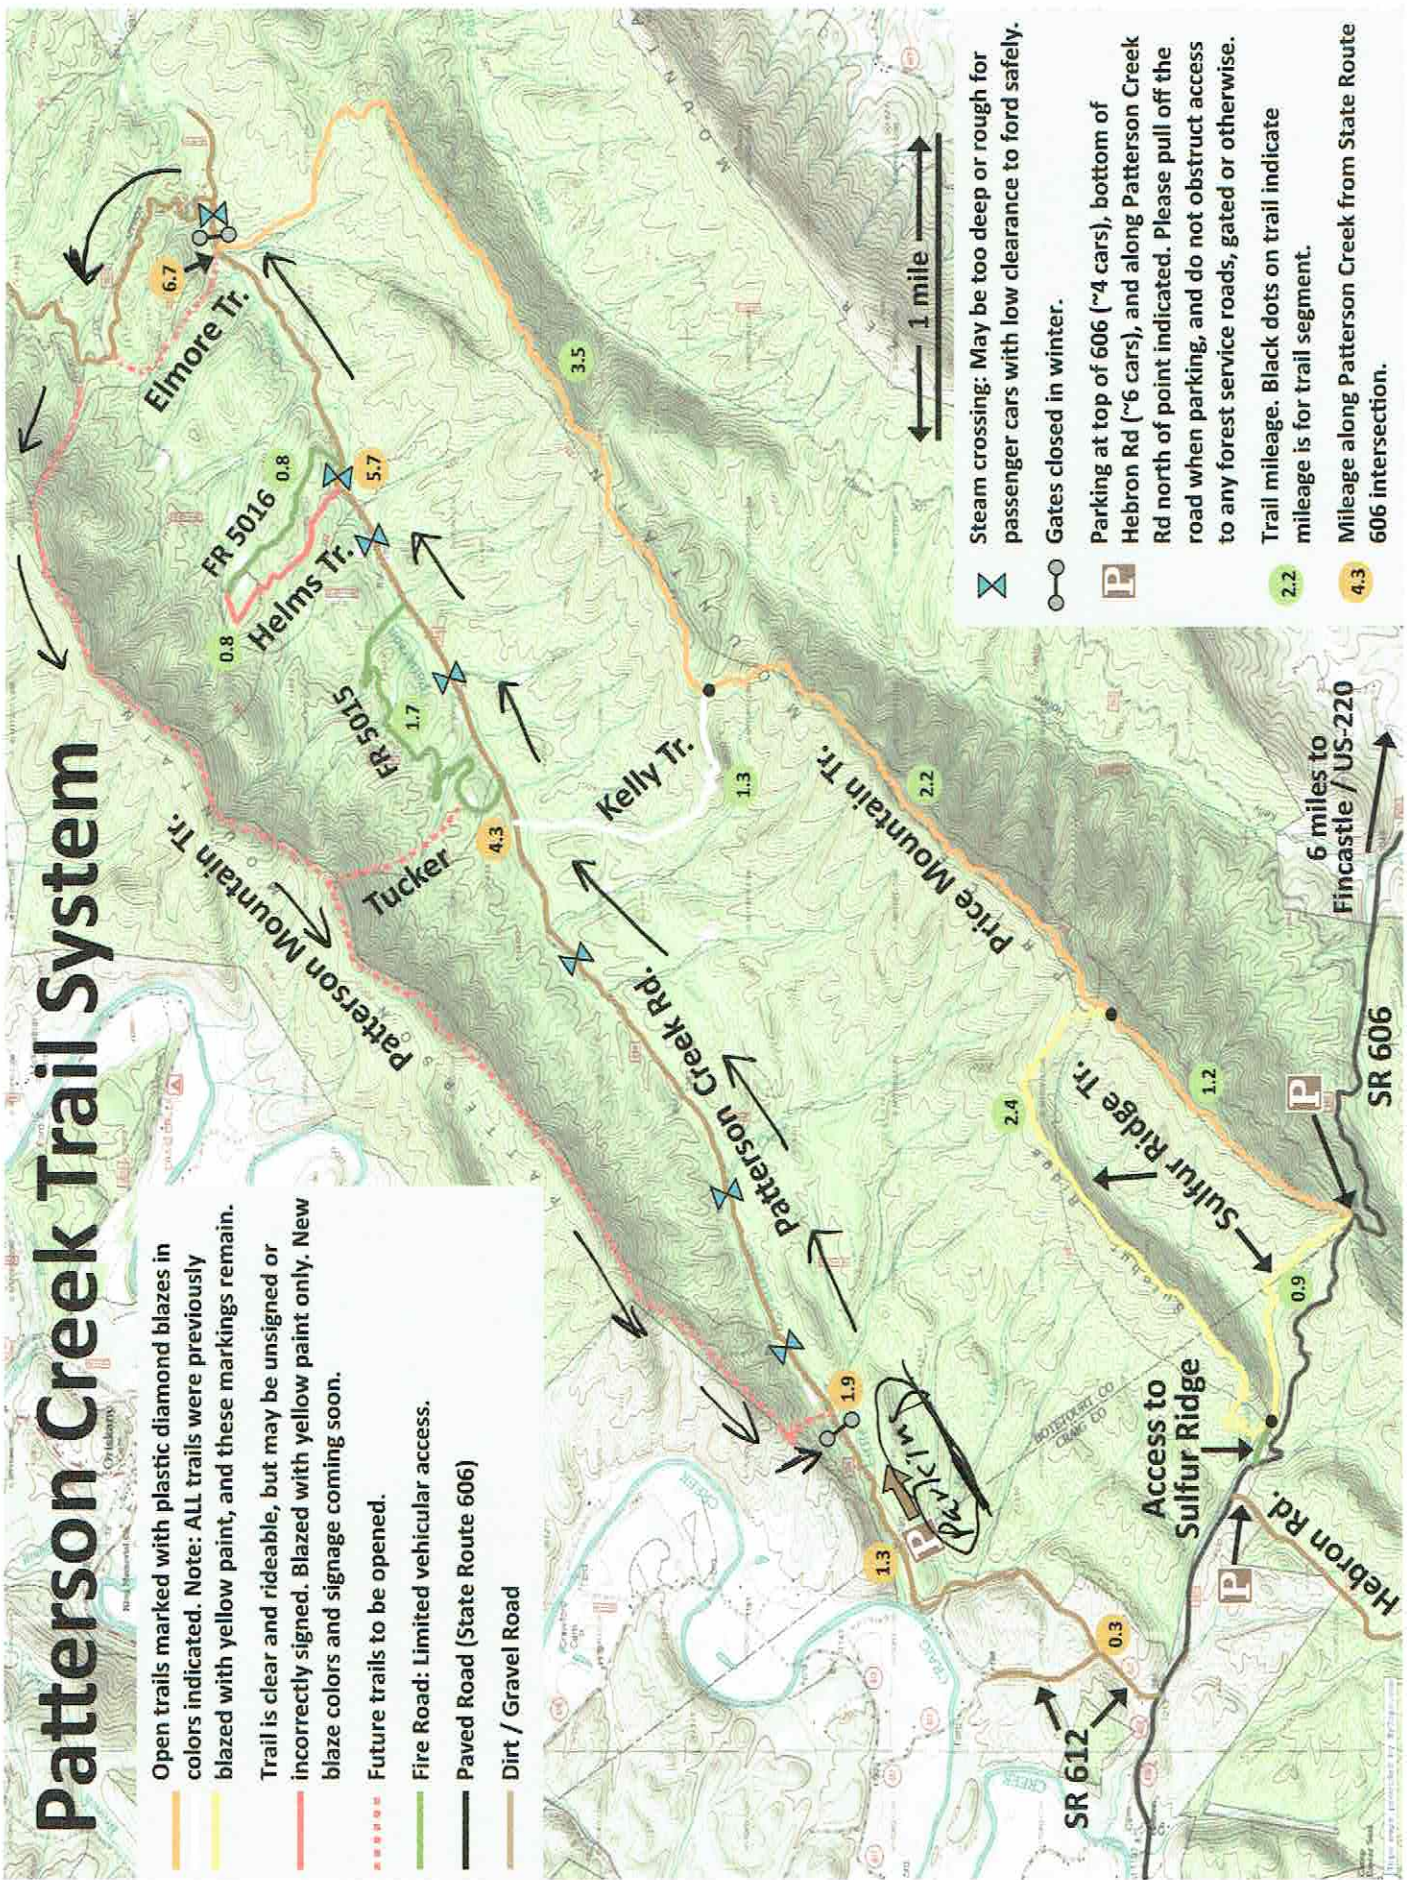

Steam crossing: May be too deep or rough for passenger cars with low clearance to ford safely.

Gates closed in winter.

Parking at top of 606 (~4 cars), bottom of Hebron Rd (~6 cars), and along Patterson Creek Rd north of point indicated. Please pull off the road when parking, and do not obstruct access to any forest service roads, gated or otherwise.

Trail mileage. Black dots on trail indicate mileage is for trail segment.

Mileage along Patterson Creek from State Route 606 intersection.
